

Greetings:

The Leather Institute For Education Detroit (LIFE Detroit) would like to invite you to participate in our annual DARK Weekend (Detroit Area Rough Kinkfest Weekend). This will take place Friday, February 4 through Sunday, February 6. This will be held at Diamond Jim's Saloon, located at 19650 West Warren, Detroit, MI 48228. We are looking for vendors to complete our vendor market, which will be open on Saturday from Noon to 6:30 p.m., and we would like you to be part of this event.

### **Vendors Spaces**

Vendor Spaces are \$20 and will include a table, if needed. The size of the space is 8' x 8'. There will be room available for 11 vendors. Spaces will be on a first come-first serve basis. The deadline for vendors to reserve a table is Wednesday, January 26, 2005.

Included in this \$20 fee would be your company's name listed in an advertisement we are planning to place in *Cruise Magazine* and *Metra Magazine* in the issues before the event. For an additional \$15 your company's address will be included in the DARK advertisement. If you would like to have the address and/or logo included, it would have to be emailed for inclusion in the advertisement no later than Monday, January 17 for set-up. Please email the logo/graphic to [hardguy24u@aol.com](mailto:hardguy24u@aol.com).

Separately, all vendors names and addresses will be included in the DARK Weekend program in a business card-style ad, which all persons attending the weekend will receive.

Hotels that are in close proximity are located on the LIFE Detroit website and on the Diamond Jim's Saloon Website.

For more information on reserving a space for the DARK Weekend events, please checkout the LIFE Detroit website at [www.lifedetroit.com](http://www.lifedetroit.com), or the Diamond Jim's Saloon website at [www.diamondjimssaloon.com](http://www.diamondjimssaloon.com). You can also make reservations on space by calling Jim at 313.336.8680 or Bryon at 734.260-2388.

We look forward to seeing you here. And remember... don't be afraid of the DARK.
